

Defining Moment
By NewSong

There comes a time in every heart a time of real decision
When we reach the point of choosing how we will live our lives
All our hopes, all our dreams will rise up from that moment
The moment we surrender and choose to follow Christ
He's been waiting all our lives to hear us say
I am yours, Lord, take my hand and lead the way

When you believe He's all you need
That will be your defining moment
As you live your life walking in His light
Trusting Him completely
That will be, that will be your defining moment

All I have, all I am is resting in His promise
The promise that He'll make me everything that I should be
I will live, I will die, for the cause He's set before me
To take this love inside my heart for all the world to see

All of heaven celebrates when they hear someone say
I am yours, Lord, take my hand and lead the way

When you believe He's all you need
That will be your defining moment
As you live your life walking in His light
Trusting Him completely
That will be, that will be your defining moment

His amazing grace is such a mystery,
How in an instant it can make your life complete

When you believe He's all you need
That will be your defining moment
As you live your life walking in His light
Trusting Him completely
That will be, that will be your defining moment

Ephesians 3:20-21

Now to him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.
